

Cholla District Weekly Update

This week, the Glendale City Council authorized the City Manager and Assistant City Manager to refinance a portion of City of Glendale Municipal Property Corporation bonds which under the current bond market conditions is estimated to result in \$2.6 to \$3 million savings over the term of the bonds. This is another step taken by the City of Glendale to improve the City's fiscal condition.

Always feel free to contact me with your questions or concerns. I value your input and opinion.
